

In Celebration of UAE Codes Day 2025
MAS Students Presents

AI Coin Chronicles

Connecting the UAE's Past, Present, and Future

Celebrating Innovation, Heritage, and the Future of AI

This booklet commemorates the AI Coin Design Challenge, showcasing the innovative designs from students at Manthana American School. The challenge encourages students to blend the rich cultural heritage of the UAE with cutting-edge artificial intelligence concepts, symbolizing the nation's journey towards a technologically advanced future.
